Hi Martha,

Here are the most recent comments regarding IDEM's proposed CMS commitments. Most of the comments are a result of Region 5's conference with our Office of Enforcement and Compliance Assurance(OECA) in DC. Based on the magnitude of the comments I suggest we schedule a call as soon as possible to go over the relevant information. If you have other recommendations on next steps we would like to hear them as well. Please let us know if you are available starting next week and what are the best date and time for us to discuss this

matter. Thanks
